Sir:

The above-identified application became abandoned for failure to timely pay the required issue fee and publication fee within the statutory period of three months from the mailing of the Notice of Allowance as set forth by the United States Patent and Trademark Office. The date of abandonment is the day after the expiration date of the period set for reply in the Notice of Allowance.

The present application was originally allowed on September 13, 2005 and the appropriate issue and publication fees were filed on November 8, 2005. On November 29, 2005, however, a Petition to Withdraw Application from Issue, a Request for Continued Examination, and an Information Disclosure Statement were filed. The

Decision Granting Petition to Withdraw Application from Issue was mailed from the Patent Office on December 8, 2005. Subsequently, the second Notice of Allowance for this application was mailed on December 23, 2005. The issue fee deadline of March 23, 2006 was properly docketed on December 29, 2005. This deadline, however, was inadvertently and unintentionally de-docketed on December 30, 2005, and the application, therefore, went abandoned on March 24, 2006. Our Docket Sheet is attached as Appendix A, evidencing that the issue fee deadline was created on December 29, 2005, and subsequently de-docketed on December 30, 2005, as indicated in the last column titled "Taken." We did not become aware of the abandonment until May 15, 2006, when we received the Notice of Abandonment from the Patent Office (mailed on May 11, 2006).

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. It is submitted, therefore, that on the basis described above the abandonment should be held to be inadvertent, the enclosed Issue Fee Transmittal and Comments on Statement of Reasons for Allowance should be entered, and the case revived.

Our check in the amount of \$750.00 covering the fee set forth in 37 CFR 1.17(m) is enclosed. The appropriate issue fee for this application was previously paid on November 8, 2005. The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 50-0665, under Order No. 367618008US1. A duplicate copy of this paper is enclosed.
